

**VERNON E. CLEAVES AGRICULTURAL SCIENCE AND TECHNOLOGY
CENTER
LYMAN HALL HIGH SCHOOL
70 POND HILL ROAD
WALLINGFORD, CT 06492
203-294-5322**

Dear Applicant:

Please find attached an application and other related materials for the Agricultural Science and Technology program located at Lyman Hall High School in Wallingford. Take some time to examine the material. If you have any questions, feel free to email me at rrose@wallingfordschools.org

Applicants must complete the full application. Also, be sure to have your school counselor, one teacher, and another adult with whom you are not related (can be a second teacher, club leader, sports coach, etc.) fill out their recommendations. All recommendation forms are provided with the application packet.

APPLICATIONS ARE DUE IN FULL BY 2PM ON FRIDAY, JANUARY 12, 2018.

Applications are reviewed by a committee immediately after the deadline. The committee bases its decision on several areas, which are detailed on page 8 of the application. The review committee also takes an interest in the applicant's involvement in after school activities, community involvement, and any demonstrated interest in agriculture (employment, volunteer work, etc.)

I appreciate your interest in the agricultural program at Lyman Hall High School. I hope to meet you soon.

Rebecca Rose
Director

*****Special note for students selecting "Animal Science" as your top choice: please specify in your written response on page 3 if you prefer large animal or small animal for an area of study.***

Connecticut Agricultural Science and Technology Education Program Application for Student Admission

Agricultural Science and Technology Education (ASTE) programs serve secondary students in full- and shared-time programs. Each program is located at a comprehensive high school with the exception of Bridgeport Regional Aquaculture Science and Technology Education Center, which has its own independent facility. The ASTE programs prepare students for college and careers in animal science, agribusiness, agricultural mechanics, aquaculture, biotechnology, food science, marine technology, natural resources, and plant science (not all ASTE centers offer all the afore mentioned programs). The ASTE programs incorporate a hands-on, active curriculum that integrates subject area skills and knowledge, applied skills in the core subjects of mathematics, science and English/Language Arts while incorporating leadership skills and work-based learning experiences through the National FFA Organization and supervised agriculture experiences.

INSTRUCTIONS

Any person who has completed the eighth grade is eligible to be considered for admission to an Agricultural Science and Technology Education Program. You and your legal guardian must complete this application with the appropriate signatures and return it to your school counselor so that the school section may be completed.

Student Applicant Name: _____ **Grade Level:** _____

Current School Attending: _____

Agricultural Science and Technology Education (ASTE) Center student is applying to attend. Please refer to Appendix A for the center your town has chosen for agriculture education.

Name of ASTE Center: _____

Agriculture Pathway. Please note: (Not all agriculture centers offer all pathways. Refer to your ASTE Center's web page for more information.)

Numerically rank the following pathways 1 through 6 based on your preference of study. Write "1" in the blank next to the pathway that is your most desired selection; write "2" in the blank next to your second desired area of study; and continue with writing "3" for your third selection and so forth. If you are not interested in a pathway place a "0" in the space provided.

___ Plant Science (greenhouse, floral design, landscape design)

___ Animal Science (veterinary science, livestock, horses, companion pets)

___ Aquaculture (fish production, marine biology, aquaponics)

___ Agriculture Mechanics (tractors, engines, wood working, machining, welding)

N/A Biotechnology (genetics, microbiology, DNA work)

___ Food Science (food safety, food handling, product development, nutrition)

N/A Marine Technology (marine construction, marine mechanics, ocean engineering, vessel operations)

___ Natural Resources/Environmental Science (ecology, forestry, conservation, wildlife, water protection)

Applicant Personal Information

Full Name: _____

Agriculture, Aquaculture, and/or Marine Trades Interest Page

Directions: In the space below please write three to five paragraphs about your interest of study at an agricultural science and technology education center. Your statement should address the following: reason(s) you want to study agriculture, aquaculture, aquaculture and/or marine trades; previous agriculture, aquaculture, aquaculture and/or marine trades experiences; benefits from being part of the center; and how the center would benefit from having you as a student.

Instructions for Release of Records

For your child to be considered for admission to a Connecticut Agricultural Science and Technology Education program, you and your child must complete this application with the appropriate signatures and return it to your school counselor, principal or teacher. Your school counselor will complete the sending school section of this application and forward your application, transcript of grades, attendance and discipline infractions to the appropriate ASTE Center (see Appendix A). Incomplete applications will not be processed. Admission is contingent upon successful completion of Grade 8 and final receipt of all records.

Academic Information to be included

Beginning Grade 9 Admission: Attach grade 7 final report card, grade 8 current completed marking period information (transcript), attendance, discipline record, and most recent norm referenced screening data for numeracy and literacy including scaled scores as available.

Mid-year Grade 9 Admission: Attach grade 8 final report card, attendance, discipline record and most recent norm referenced screening data for numeracy and literacy as available.

Grades 10, 11, 12 Admission: Contact the agricultural science and technology education center for your town to inquire about documents to submit with the application.

504 plans and special education records will be required once applicant indicates intent to attend. Final transcript, ELL program records, full discipline record, and health records are required at the end of the year.

Applicant's Name: _____ **Grade Level** _____

Current School Attending: _____

Release of Records

I approve this application and I, the undersigned, hereby give permission for the

_____ School to release the
(Name of school)

School records of _____ to _____ for
(Student Applicant's Name) (Name of ASTE Center)

the purpose of admission/placement at that school. Such records include, but are not limited to, course grades, discipline records, standardized test results, 504 Plans, IEP and/or PPT records, psychological reports attendance records, school health records, records of extracurricular activities, and Student Success Plans.

(Signature of Legal Guardian)

(Date)

By signing this release, I agree to continually to update the student's record(s) and forward all new information to the ASTE center

Relation to Student

**AGRICULTURAL SCIENCE & TECHNOLOGY EDUCATION CENTERS
STUDENT AND PARENT/ GUARDIAN AGREEMENT**

I understand that Agricultural Science and Technology Education (ASTE) Centers utilize the Three Circle model of Education: Classroom/Laboratory Experiences, Supervised Agricultural Experience Program (SAE) and student leadership through the FFA. While enrolled in an ASTE Center, I must be on track to graduate with my class and I will obey all rules, requirements, and commitments of the high school and Agricultural Education Program

I understand that I will keep track of my activities and out-of-school experiences in a SAE record book or an online tracker. I understand that my SAE program is conducted outside-of-class time.

I understand that, because of the nature of the program, field trips are taken often and agricultural work is done in class to prepare the student for a career and college in agriculture and related occupations. All students shall take part in and dress appropriately for these experiences.

I understand and agree to participate in this program as a member of the FFA. Class/lab work, supervised agricultural experience, and FFA participation are all essential and integral for success in my Agricultural Education program.

(Student's Signature)

(Date)

By signing this document you are giving permission for your son or daughter to be videotaped and/or photographed for ASTE Center events and social media pages.

(Legal Guardian Printed Name)

Applications will be evaluated based on the following criteria (The list is in order from highest to lowest in criterion).

1. Demonstrated interest in a career in an agricultural or agricultural related field.
2. Personal meeting and/or interview with ASTE staff and/or school personnel.
3. Counselor, teacher, personal recommendations.
4. Attendance record.
5. Academic records.
6. Behavioral records.
7. Standardized assessment scores.
